

90

Foxen Chenin Blanc 2013

Light, bright yellow. Lively, mineral-laced citrus and orchard fruit aromas show very good clarity, picking up a sexy floral quality with air. Dry and focused on the palate, offering energetic pear and Meyer lemon flavors and a touch of bitter quinine. Finishes stony and long, with repeating floral character and a touch of tarragon. - Josh Raynolds, VINOUS

Selected and marketed by *American Estates Wines*
