

**Grey's Peak Pinot Noir  
2014**

**90**

Good dark red. Dark fruit aromas are currently masked by reduction. Supple, seamless and slightly high-toned, conveying a strong impression of stems but without a dry edge or serious greenness to its flavors of raspberry, red cherry, spices, crushed stone, exotic flowers and mint. This fine-grained wine is wonderfully plush without coming across as heavy. Finishes with excellent length and a late note of maraschino cherry. –Stephen Tanzer
