Pinot Noir 2012

Vivid red. Ripe red berries, cola, five-spice powder and potpourri on the seductively perfumed nose. Stains the palate with sweet black raspberry, rose pastille and spicecake flavors that take on great depth as the wine opens with air. Seamless, focused, pure wine with excellent finishing thrust and persistence, the silky tannins building slowly. As high-end Australian Pinot Noir goes, this one delivers outstanding value. -- Josh Raynolds
