**TURKEY FLAT BUTCHERS BLOCK  
WHITE 2011**

Estate-grown on Turkey Flat's Stonewell and Bethany vineyards, and has already established a reputation; fermented and aged in French oak, it is a wine that is all about structure, and not about aromas. While it may well seem to go to sleep after a couple of years, another 10 years thereafter might see a wine of great authority and quality emerge.

Selected and imported by
