**Josef Chromy Estate
Chardonnay 2014**

(whole-bunch pressed, with no malo and 20 percent new French oak) Light yellow. Incisive Meyer lemon, quince and candied ginger aromas are accented by sexy floral and buttered toast notes. Densely packed but light on its feet, offering refreshingly bitter pear skin and citrus zest flavors and a smoky mineral quality that builds in the glass. Racy and sharply

focused; the persistent finish lingers with suave floral character. - *Josh Reynolds*
