**Josef Chromy Estate
Chardonnay 2015**

Green-tinged yellow. High-pitched citrus fruit and floral aromas carry a chalky mineral overtone, and a hint of leesiness builds as the wine stretches out. Vibrant and focused on the palate, offering juicy Meyer lemon and pear flavors that show very good concentration and tension. Smoothly plays power off finesse and finishes very long and seamless, leaving behind vibrant orange zest and honeysuckle notes. - *Josh Reynolds*
