

Chapel Hill McLaren Vale Shiraz 2012

Michael Fragos sources this shiraz from mature, own-rooted vines, taking individual lots through open-top fermenters, basket pressing and then aging in French oak. He includes the pressings (rather than adding tannins, as some might), and bottles the wine unfiltered and unfiltered. The wine captures McLaren Vale in its robust earthiness and cool, ironstone power. It's formidable and tough on the surface, with a range of fruit underneath waiting to emerge.
